SETTING THE STANDARD FOR OVER 30 YEARS

Since 1991, Vinylguard has been providing Ontario's residential replacement, renovation, and new construction industry with windows and doors of the highest quality, as well as exceptional service and best-in-class lifetime warranty to support them. For over 30 years, our family-run business has remained true to our values, developing an outstanding reputation among dealers and homeowners for our dependability, flexibility, commitment, and expertise. Today, we continue to grow our legacy, upholding our mission to be the best in the industry.

URBANIA ASYMMETRICAL DOOR
WITH TRANSOM & SIDELITE

Crafted to Perfection, Engineered for Life

Our lifetime warranty provides 100% coverage on all vinyl, hardware, and workmanship. This warranty is fully transferable, non-prorated, and offers complete security, satisfaction guaranteed.

Glass seals and paint carry their own specific warranties.

QUALITY CRAFTSMANSHIP

We're the best in the industry, passionate about creating quality products, and committed to the highest standards of craftsmanship.

STATE-OF-THE-ART FACILITY

Our state-of-the-art facility allows unrestricted creativity for design, and our precision machining ensures efficient and reliable production, every time.

SUPERIOR DESIGN

Our products dramatically improve the appearance of homes, with compositions that maintain their appearance for a lifetime.

TESTED & CERTIFIED

All our window and door products meet the most current industry standards and are QAI® certified and Energy Star® compliant.

LOFT LIFT & SLIDE

The Loft Lift & Slide Patio Door

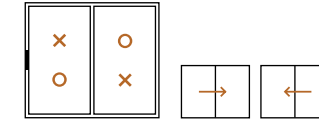

Improve your view and let more light in thanks to the Loft door's oversized glass panels. Its lift and slide mechanism makes it possible to build large patio doors using only two panels, for an impressive and uncluttered view. By simply pivoting the sleek, contemporary handle to release the three-point locking mechanism and raising the Loft door onto its wheels, the large panel weighing up to 300 lb glides quietly and effortlessly, using just one hand.

SECURITY SYSTEMS

Vinylguard offers a range of enhanced security options for all our patio doors, because safety and peace of mind for your family are our top priorities. We understand the significance of securing your home without compromising on aesthetics and functionality. With our innovative security features, rest assured that your sliding doors are uncompromising in protection, allowing you to enjoy the beautiful views and natural light while feeling safe and tranquil.

TWIN-POINT LOCK
Standard on all doors.

This heavy-duty latch system locks at two points on the door frame and includes an anti-slam mechanism for added safety.

TOP LOCK
Available in White and Black. Optional on Victorian, Buckingham, and Kent doors only.

The top lock mounts at the top of the operating door and locks into the top of the door frame. With the bolt in locked position, the door cannot operate.

KICK LOCK
Available in White and Black. Optional on Victorian, Buckingham, and Kent doors only.

Mounted at the bottom of the operating door, the kick lock adds a secondary lock in the closed position while allowing for ventilation in the open position.

SECURITY BAR
Optional on Victorian, Buckingham, and Kent doors only.

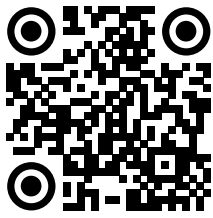

The durable security bar mounts at the fixed side of the door frame and folds down to lock into position. The door is unable to operate while the bar is in locked position.
